

Retaining cables style A, with eye and crimp terminal

Item description/product images

Description

Material:

Cable stainless steel.
Crimp and end terminal aluminum.

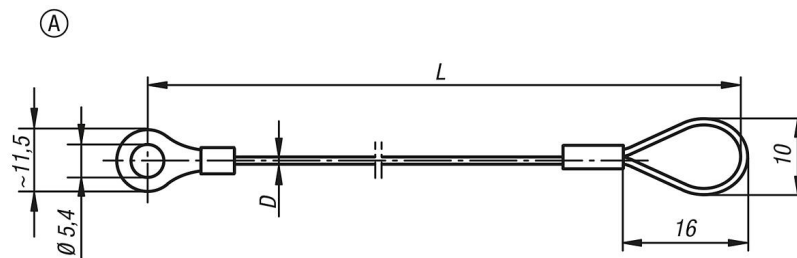

Version:

Cable plastic coated.

Note:

With the retaining cable and key ring (K0367) the ball lock pins (K0363, K0364, K0641, K0366, K0642, K0790, K0791) can be secured so that they cannot be lost.
An M5 screw is used to secure the retaining cable.
Application temperature: +80 °C.
